Experience:

- 🌟 **Cyber Security Virtual Internship | Cisco Networking(May 2023)**
 - Spearheaded a comprehensive cybersecurity internship, channeling hands-on expertise in identifying and neutralizing security threats. Facilitated vulnerability assessments, contributing to a noteworthy 25% enhancement in network security.
- 🌟 **Web Development Intern | Bharat IQ (August 2023)**
 - Orchestrated web development projects, harnessing HTML, CSS, and JavaScript to craft captivating user interfaces.
 - refine web applications, consistently surpassing project milestones and delivering pristine code.
- 🌟 **Volunteer Experience:**
 - Event Organizer | IIT Kharagpur Entrepreneurship Awareness Drive (EAD) | IIT Kharagpur (October 2023)
 - Actuated the planning and execution of the Entrepreneurship Awareness Drive, an illustrious event at IIT Kharagpur. Formed a symbiotic alliance with a diverse team of organizers and spearheaded a 35% surge in event participation.

Education:

- Bachelor of Technology in Computer Science and Engineering
Shri Ram Institute of Technology, Jabalpur, Madhya Pradesh
(Present)
Current CGPA: **8.46**
- Model Higher Secondary School Of Excellence,Jabalpur (MP Board)
Higher Secondary Percentage is **-89.6%**
Completed in 2021
- Model Higher Secondary School Of Excellence,Jabalpur (MP Board)
High School Percentage is **-89%**
Completed in 2019

Key Projects:

- 🌟 **Smart Attendance System by Face Recognition**
Pioneered a smart attendance system employing face recognition technology to automatize and streamline attendance tracking. Designed an intuitive interface, integrated cutting-edge facial recognition algorithms using Python libraries, and rigorously tested for pinpoint accuracy.
- 🌟 **Personal Portfolio Website**
Conceived and materialized a personal portfolio website utilizing HTML, CSS, and JavaScript to showcase prowess and achievements. Revamped user experience, incorporating interactive elements and ensuring compatibility across diverse screen sizes and devices.
- 🌟 **Simple Object-Detection Project**
Engineered a rudimentary object detection system through Python and pertinent libraries, enabling real-time object identification and tracking.
- 🌟 **Tic-Tac-Toe Game**
Innovated a web-based game with HTML, CSS, and JavaScript, providing an immersive gaming experience.

Skills:

- 🌟 **Programming Languages: Commanding** expertise in CPP, Java, coupled with a profound grasp of data structures and algorithms.
- 🌟 **Web Development:** Mastery in HTML, CSS, and JavaScript, coupled with a rich history of crafting responsive, visually striking web applications.
- 🌟 **Object-Oriented Programming:** Solid grounding in OOP principles and design patterns.
- 🌟 **Strong Communication Skills:** Proficient in conveying intricate technical data and fostering collaboration within cross-functional teams.

Activities:

- 🌟 Distinguished Participant in The Great India Hackathon | **Microsoft Azure** (April 2023 - April 2023). Distinguished for astute problem-solving and astute teamwork in a high-pressure hackathon environment.
- 🌟 Successfully completed a 3-month virtual internship program focused on cyber security, sponsored by **Cisco Networking**.
- 🌟 Attained the 2nd position in a national-level folk song competition in 2016, showcasing exceptional talent and unwavering dedication in a fiercely competitive cultural event.

Certifications:

- Got a Elite certificate for DSA with JAVA from National Programme on Technology Enhanced Learning (NPTEL).
- Got a Elite certificate for Database Management System from National Programme on Technology Enhanced Learning (NPTEL).
- Cloud Security Alliance | Cisco (May 2023) - Attained comprehensive knowledge of cloud security and compliance.
- Python | Google (June 2023) - Certified proficiency in Python programming.
- Communication Skills | TCS Digital (May 2023) - Elevated verbal and written communication acumen.

Ambitious pre-final year Computer Science engineering student with a solid foundation in Data Structure and algorithm, eager to embrace challenges in JAVA full stack development. Offering a blend of practical and theoretical and practical expertise. Overall, my diverse experiences, technical skills, and commitment to excellence make me a valuable asset to any team or organization.
